City & Venue

Aktobe is one of the largest industrial, economic, and cultural centers of Kazakhstan, serving as the administrative hub of the Aktobe Region. Ranking fourth in the nation by population (600 000), the city is situated in the northwestern part of the Republic of Kazakhstan on the Ilek River and acts as a key transport and logistics hub connecting Asia and Europe. Aktobe seamlessly combines modern developed infrastructure, hospitality, and rich sporting traditions. The region features a distinct sharply continental climate. In late August, the weather is typically comfortable and pleasantly warm, with average daytime temperatures ranging between +24 and +26

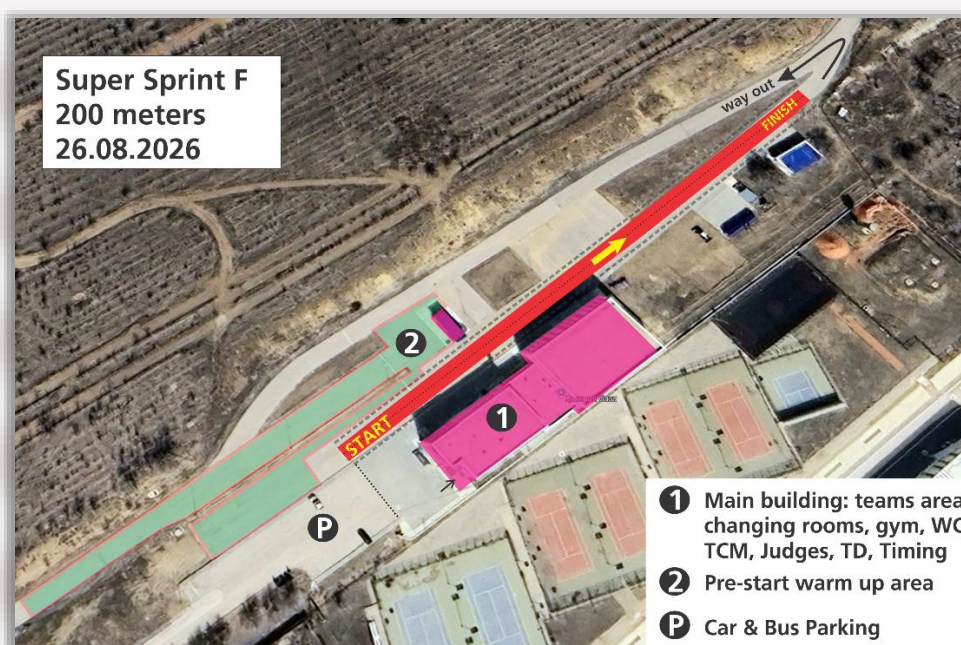

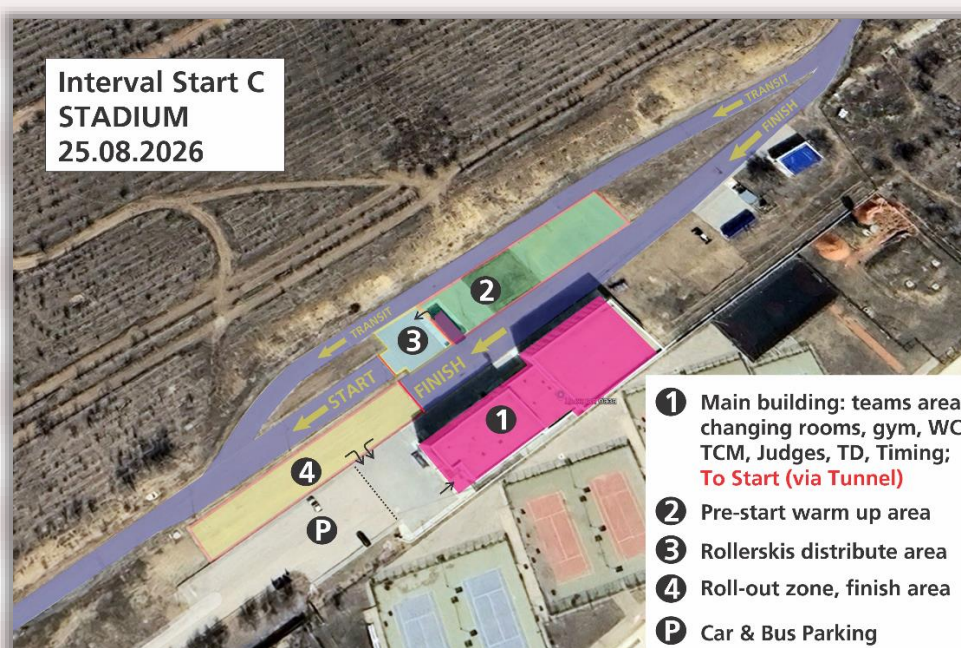

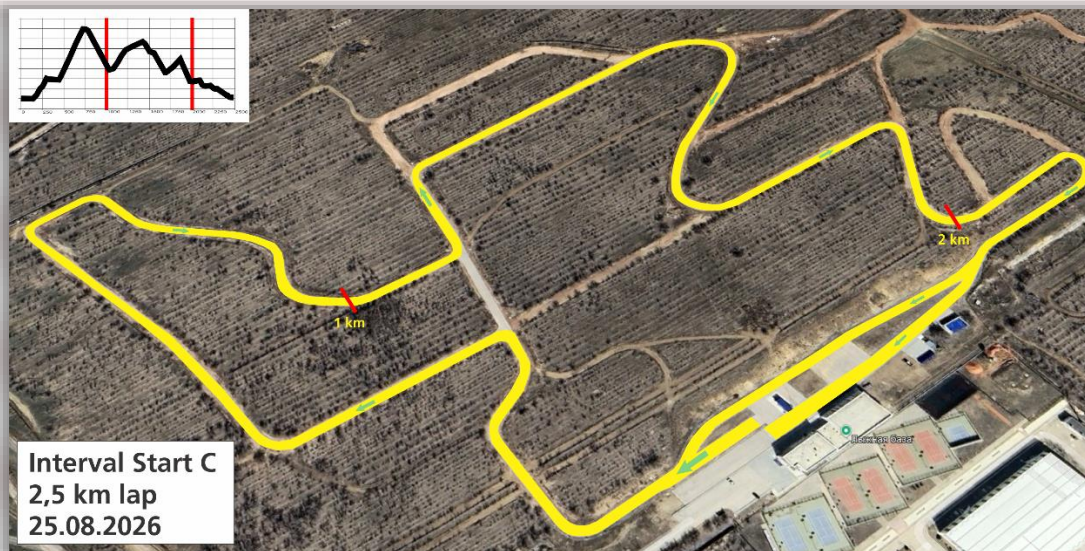

Winter Sports Center in Aktobe city was opened in 2021.

The modern infrastructure of the complex is including the ski school building equipped with a gym, judges and jury rooms, a shooting range, and an underground tunnel leading directly to the start area. Equipped wax cabins are provided for athlete preparation and team technical operations, and the venue is fully integrated with an electronic timing system.

The sports facilities offer excellent conditions for both winter and summer events. The cross-country ski trails feature a width of 9 meters, with lap distances ranging from 1.4 to 3.75 kilometers. For summer roller ski track is available, spanning 2.5 kilometers in length and 6 meters in width, and fully equipped with a lighting system.

The exact location of the venue can be found on Google Maps [here](https://www.google.com/maps/place/60mhlq). ([u.to/60mhlq](https://www.google.com/maps/place/60mhlq))

Transportation

Main airport: Aktobe (AKX). It's conveniently located within the city and is easily accessible by public transport or taxi. The airport operates regular flight schedules, including daily flights from Almaty (ALA), Astana (NQZ), and Shymkent (CIT); frequent direct connections from Istanbul (SAW), Antalya (AYT), and Sharm El Sheikh (SSH).

Transfer is possible, price: ~6 euro/person one way.

Request should be sent before 21.08.2026.

We highly recommend using public transport for traveling between your accommodation and the competition venue. The rollerski track is located within the city, approximately a 20-minute bus ride from the city center. In case your team requires a dedicated shuttle service (Hotel-Venue-Hotel), please submit a request to the organizing committee. The approximate cost is ~6 euro per person.

Other information

The organizing committee will provide official classic roller skis (FFski) for official training and Individual C race. Sprint competitions will be carry out on athletes' own equipment.
