

INVITATION

FIS Roller Ski Asian Cup 2025

Pyeongchang

Alpensia, Gangwon Province, Korea

August, 4th - 6th, 2025

To the National Ski Associations interested in participating in the FIS Roller Ski Asian Cup Competition in PyeongChang, Republic of Korea, in 2025, Korea Ski & Snowboard Association cordially invites your nation to participate in the FIS Roller Ski Asian Cup, which will be held from August 4 to 6, 2025, at the Alpensia Cross-Country Centre in PyeongChang, Republic of Korea.

We extend our warmest welcome to all participants joining us for this exciting event.

The competition will take place at the Alpensia Cross-Country Centre and the Biathlon Centre, both situated at an elevation of 700 meters above sea level. These venues successfully hosted the PyeongChang 2018 Olympic Winter Games and the Gangwon 2024 Winter Youth Olympic Games, and they offer world-class infrastructure that meets international standards. Renowned for its cool climate even in midsummer, Daegwallyeong is considered one of Korea's most pleasant summer destinations.

PyeongChang is easily accessible—approximately three hours by car from Seoul, the capital city. Nearby, just a 40-minute drive away, lies the coastal city of Gangneung, famously known as the “City of Coffee.” Gangneung also hosted the ice sports events during both the 2018 and 2024 Games and offers beautiful beaches along with a rich cultural atmosphere.

We hope all athletes will deliver outstanding performances throughout the competition. We also wish you a memorable stay in Korea, where you can fully enjoy its pristine natural landscapes, warm hospitality, and the unique charm of the region.
